Machinery.

ENGINEERING EDITION.

Index to Vol. XIII.

September, 1906 to August, 1907.

1907.

THE INDUSTRIAL PRESS.

49-55 LAFAYETTE ST.,

NEW YORK.

Index to Vol. XIII.

Abbott, P. W.:
Inserted Blade Turret Tools 517
Pin Hole Drilling Jig..... 701
Abbreviation of Metric Signs, French Rules for 46
Abrasive Quickly, To Prepare Fine. Scotty 222
Acetylene Gas for Welding.. 27
Acid Dip for Bronze Castings. T. E. O'Donnell..... 703
Acid, Etching. Geo. W. Smith 399
Acid Pickling for Forgings. Hardener 399
Acid-proof Cement. W. R. Bowers 161
Adams Co.:
The Farwell Quick-Change Hand Milling Machine... 709
Adams, John D.:
Flange Bolts 178
Fundamental Ideas on the Strength of Beams.
1 357
2 478
Adjustable Collet Co.:
Spring Collet Attachment for Lathe 524
Adjustable Former for Bevel Gear Planing 187
Adjustable Hollow Mill, An. Otto Eckelt..... 42
Adjustable Reamers and Taps with Inserted Blades..... 614
Adjustable Ring Gages..... 281
Adjustable Scale for Laying-out Table. Geo. D. Hadun 97
Advancement that Comes with writing for Publication.... 136
Advantages of Steady Working. Con Wise..... 634
Adriatic, White Star Steamer 592
Advantage, The Manufacturing. Tecumseh Swift 91
Advertisement, An Absurd German Tool 435
Advertisement, General Engineer and Electrician 384
Advertising Machinery in Large Establishments 247
Advisory Committee of Editors for American Institute of Social Service 523
Aeronauts, Holland's Tax on the Descent of..... 535
Age Limit of Employes, More Liberal Policy Regarding the 486
Air Compressor as an Air Meter. Frank Richards..... 551
Air Compressors, Best Results Obtained in the Operation of 256
Air Compressors, Franklin... 651
Air Drill, Compounding an. Bessemer 516
Air-Pump Design, Improved.. 553
A. L. A. M. Horse-Power Formula, The 681
A. L. A. M. Standard Screws and Nuts, The..... 148
Albree Iron Wks Co., Chester B. (Horizontal Boiler Riveter Installation)..... 225
Alcohol and Calcium Carbide Carbureter 450
Alcohol Bill, Amendment to Free 444
Alcohol Bill's Influence on Wood Alcohol, Denatured.. 438
Alcohol, Complete and Incomplete Methods of Denaturizing 439
Alcohol, Denatured 80
Alcohol, Denatured 89
Alcohol Engine Investigations. 24
Alcohol Flame, The Non-Luminous 81
Alcohol for Combustion Engines, The Value of..... 199
Alcohol for Manufacturing Purposes, Sources of..... 438
Alcohol for Power. John A. Secor 531
Alcohol from Corncobs..... 139
Alcohol from Sawdust, Making 439
Alcohol, Kerosene and Gasoline as Fuels for Automobiles... 437
Alcohol made from Peat..... 400
Alcohol, Possibilities of Denatured 212
Alcohol Used as Motive Power in Automobile 378
Alexander, Magnus W.:
An Experiment in Industrial Training—The Apprenticeship System of the General Electric Co. at West Lynn, Mass. 1
Alfred Herbert, Ltd.:
Advanced British Manufacturing Methods 667
Alfred Herbert, Ltd., Structural Features of the Edgwick Works of 368
Alfred Herbert, Ltd., The Edgwick Works of..... 431
Alfred Herbert, Ltd. (Vertical Miller and Turret Lathe).. 369
Algebraic Paradox, That. Geo. B. Grant 396
Algebraic Principles, The Apparent Fallacy of. K. G. Smith 395
Allis-Chalmers Motor for Individual Drive 403
Allis-Chalmers Co. (Huge Rolling-Mill Engine) 115
Alloy, Alzene a New..... 198
Alloy for Filling Holes in Cast Iron. E. J. Buchet..... 282
Alloy for Turbine Blades, New 138
Alloy to be Used as a Bearing Metal 139
Alpha:
Dimensioning Worm and Worm-Wheel Drawings.. 453
Alteneder's Draftsmen's Pen-Filling Inkstand 289
Aluminum for Transmission of Electricity 188
Aluminum, Satin Finish on. S. H. Sweet 282
Aluminum, Solder Preparation for. T. E. O'Donnell..... 161
Aluminum, To Turn. John C. Monrad 282
Aluminum Wire for Magnet Windings 380
Alundum — Its Manufacture, Characteristics and Use.... 204
Alzene—Alloy of Aluminum and Zinc 198
Amalgamation of Metals by Contact 617
American Institute of Social Service, Advisory Committee of Editors for..... 523
American Institute of Social Service, One Aim of the... 497
American Locomotive Co.'s 40,000th Locomotive 237
American Road Mch. Co.:
Pennock Iron Bending Machine 348
Amsterdam International Exhibition 438
Anchor Plates for Foundation Bolts 275
Andrews, A.:
Stiffening a Long Boring Bar Rig for Hobbing Worm-Wheel 640
Anglegraph 36
Angle of a Die Block Slide to Match the Key, To Determine the. Winamac..... 43
Angular Movements by the Index Head, Obtaining Definite. John Price..... 336
Angular Setting of a Milling Machine Head 283
Anneal Finished Copper, To. L. C. Carr..... 48
Annealing by Electric Arc. Saw 610
Annealing Furnaces, Peep Holes for. Robt. Grimshaw..... 339
Annealing Novo Steel, Method of. E. Viall..... 699
Annealing of Machine Parts to Prevent Breakage, Occasional 154
Annealing Steel. Wm. B. Brooks 222
Annealing Steel. S. H. Owens 578
Annealing Under Gas..... 201
Anneal Zinc, To. Hardener.. 222
Anti-Slip Belt Mixture. Sam. Strober 161
Apprentice, An Ingenious. J. J. Jenkins 516
Apprentice and His Best Girl. E. R. Plaisted..... 365
Apprenticeship Education. Entropy 313
Apprenticeship in the United States 205
Apprenticeship Question, The. E. T. Strong..... 157
Apprenticeship System of the General Electric Co. at West Lynn, Mass. M. W. Alexander 1
Aprons, Fireproofing Solution for Toolmaker's. E. W. Norton 521
Arbor, Making an Accurate. H. A. S. Howarth..... 607
Arbors, Some Types of Saw. Artebe 700
Arch, Longest Concrete..... 256
Arc Lamp, Western Electric Co. Short 286
Arc when Length of Arc and Height of Middle Ordinate are Known, To Calculate the Radius of Circular..... 49
Arc when the Length of the Chord and the Height of the Arc are Given, To Find the Radius of an. E. C. Falk. 156
Arc when the Length of the Chord and the Height of the Arc are Given, To Find the Radius of an. J. Lundin... 335
Arc Without a Radius Bar, Planing an 221
Arithmetic, A Question in.... 365
Armature Laminations, Tools for Making 696
Aroson, S.:
Another Answer to the Tangent Circle Problem..... 99
Armstrong Tool-Holders, Two New 463
Artebe:
Some Types of Saw Arbors 700
Arthur, John F.:
A Skew Bevel Gear Model.. 239
Asbestos in the U. S., Output of 68
Asbestos or Other Fabric to Iron, To Glue. M. E. Canek 703
Ashley, Carroll:
Three-Spindle Drilling Attachment 95
A. S. M. E., Annual Meeting of the 211
A. S. M. E., Annual Meeting of the 263
A. S. M. E., Spring Meeting of the 629
A. S. M. E., Spring Meeting of 592
Autogenous Welding 601
Automatic Machine, The Ultimate Development of the... 130
Automatic Needle-Making Machine 672
Automobile a Pleasure Vehicle 69
Automobile as a Commercial Vehicle 433
Automobile as the Pioneer of Civilization 665
Automobile Engine Building in a Steam Engine Plant..... 421
Automobile Engine Pistons, Chuck for. R. H. Mitchell. 520
